

Klaipeda University kindly invites you to participate at *Career Days 2014* “Career and Mobility in South Baltic maritime and tourism industries” on 9-10 of April, 2014.

Klaipeda University in cooperation with organizations of South Baltic region is currently running a project “South Baltic Professionals“. The Career Days 2014, aimed at establishing new business contacts, spreading information about business activities, internship, employment and career opportunities in the maritime, tourism, and SPA industries, is a part of this project.

In this event the representatives of enterprises/ organizations will have the opportunity to present, to meet prospective specialists – Klaipeda University students, to participate in discussions about the tendencies of labour force supply and demand.

Forum, discussions, visits in companies, contact fair, signing letters of intent for cooperation and other activities will take place during two days event. For more information and registration please visit <http://kucareerday.eu>.

Dialog between academia and business is the way to success. We very much hope to see you in Klaipeda!

Sincerely,

Prof. PHD. Ausrine Armaitiene

Head of Recreation and Tourism Department
