ERB LABOUR TASK FORCE

- ▶ support the ERB Executive Board's engagement in the cooperation within the Baltic Sea Labour Forum,
 - ▶ investigate perspectives for the labour market development in the South Baltic area, and thus contribute to the programming process of the South Baltic CBC Programme 2014–2020,
 - ▶ facilitate networking initiatives for EURES advisors as one of the first priorities of an implementation of the approach of close cooperation, in order to enable realization of an effective cross-border labour mobility of mutual benefit,
 - ▶ examine further cooperation potential based on the background report with labour market statistics in the ERB member regions,
- 

ERB LABOUR TASK FORCE

- ▶ enable information exchange on best practices and stimulate cooperation between projects like Education for all and Framtid Kronoberg which have already started working together, by identifying regional projects relating to mobility and combating youth unemployment,
 - ▶ develop further possibilities of labour market cooperation on cross-border issues with other relevant Baltic Sea initiatives s, e.g. South Baltic Professionals project,
 - ▶ implement a pilot project developing and testing methods of working with secondary education youth who drop out of schools (through the Swedish Institute seed money facility).
